MEDICATIONS: The student **may not** have **any** medications in his/her possession. This includes over-the-counter medications. All medications must be given to and be held by a school representative, who will administer it according to the written instructions. If students carry an inhaler please attach a note to this form stating and indicate what may necessitate its use. **All medications must be in the original pharmacy container and must be delivered by the parent or guardian to the Science Olympiad Coach by a specified date to be announced.**

My child may have the following medication if needed (in original container, labeled with child's name). Check all that apply: Pain relief (Advil) _____ Cough medicine _____ Antacid _____ Other _____

List any prescription medications your child must take on a regular schedule.

Medication	Dosage	How Often?	When?

To the best of my knowledge the above information given is correct and my child has permission to engage in all Science Olympiad activities. In case of medical emergency, I understand that I will be notified as soon as possible by the school representative. I hereby give permission to the physician selected by the Coach or his designee to hospitalize, secure treatment for and to order injections, anesthesia or surgery for my child as named above. I also give permission for my child's school representative or staff to transport my child to the hospital or medical/dental office if needed. Any directions to the contrary should be specified at the bottom of this form and signed.
