\*Wind Power C: ALL teams will take the written test together at 1pm. Device testing will be self-scheduled either before or after the written test.

Wind Power belongs in the same conflict block as Rocks & Minerals and Write It Do It. Students should only participate in ONE of these 3 events.

\*\*Flight practice: students may run test flights in the gym from 7-7:50am and 10-10:50am but only when a volunteer is present to coordinate; flights are at your own risk - any planes that get stuck will not be recovered

\*\*\*Self-schedule note: For some events, several teams will be allowed to sign up for the same time slot. All teams will be tested within the posted duration.

For example, 2 teams may sign up for each Towers time slot. The supervisor may begin with either team, but will test both within 15 minutes.
