Illinois State Policies

Illinois Tournament Event Arbitration Policy: Event arbitration must occur within one (1) hour of the competition time. Grading on individual tests will NOT be arbitrated. Devices or impounded items cannot be removed from the competition area if there is an arbitration.

Illinois Tournament Scoring Policy: Schools have one hour after the winners are announced at the state tournament to arbitrate: 1) Conflicts between raw scores and ranks and 2) Spreadsheet scoring errors. If an error occurs, duplicate medals and trophies will be awarded. National tournament advancement is NOT official until 24 hours after the winners are announced.

All National Science Olympiad Policies are followed and enforced.
